SGPR-200II

Robust, elegant...
Our best-seller

SAGA

Fast, functional receipt printer.

With its features, compact size and elegant design, the **SGPR-200II** is a customer receipt printer with all the resources required for a POS printer.

This 80 mm thermal printer is inexpensive and offers a print speed of 260 mm/sec. It has a triple USB/serial/Ethernet interface and communicates in ESC/POS and OPOS. It prints the most complex codes, such as PDF and DATAMATRIX codes.

Paper is loaded from the top of the printer. The SAGA SGPR-200II fast and robust printer will win you over with its product quality and low price.
